#### 3-2. Part-time Job

Prior to taking a part-time job, students must apply for and obtain “permission to engage in activities other than those permitted under the status of residence previously granted” from the Ministry of Justice. Regular students, research students, and non-degree students are permitted to work up to 28 hours per week during the school term and up to 8 hours per day during summer vacation and other long holidays.

#### 3-3. Tutor and Supporter System

First year students are assigned a current student as a tutor or supporter upon request. Tutor or supporters assist with living and studying in Japan.

### 4. Campus Life

#### 4-1. Center for Promotion of Internationalization

The Center for Promotion of Internationalization provides Japanese language education for international students, guidance and consultation on study and daily life, contributes to the promotion of international exchange at the university, and provides guidance and support for study abroad at partner universities.

#### 4-2. Japanese Language Support

The Center for Promotion of Internationalization provides Japanese language and Japanese Studies courses for international students. Classes are offered at four levels, from beginner-intermediate to advanced, and placement tests are conducted prior to class placement. Business Japanese classes are also offered for international students who wish to find employment in Japan.

#### 4-3. G-Philos

G-Philos provides cross-cultural understanding and language learning opportunities for students. In addition to Japanese language study support by Japanese Language Support SAs (Student Assistants), it introduces various countries and Japanese culture and experience through the Foreign Language Café.

#### 4-3. Field Trips

Field trips are conducted to visit Yamanashi Prefecture and other neighboring areas for the purpose of experiencing Japanese culture with Japanese students.
